Dr./Mr./Ms. Shazina
Head of Al-Falah Islamic School

Dear Shazina Ma'am,

I am writing on behalf of World Learning to invite an English teacher from your institution to apply to participate in the Professional Skills in ELT and Teacher Training (PSETT) Program. The PSETT program is funded by the Regional English Language Office (RELO) of the U.S. Embassy in India and is implemented by World Learning. The above-mentioned teacher has previously completed one of the virtual or in-person Madrasa English Language Teacher Training (MELTT) programs, which are also sponsored by the RELO of the U.S. Embassy in India and implemented by World Learning.

PSETT includes both online and in-person training. The goal is to strengthen the capacity of English language teachers in madrasas to train other English teachers to use more communicative and learner-centered teaching methods. Specifically, the program goals are that, by the end of the program, participants will:

- Be able to plan, teach, and self-assess lessons using two lesson planning frameworks and communicative, learner-centered skills presented in the ELTeach Professional Knowledge for ELT course
- Increase their confidence and skill in planning and facilitating trainings that help their teachers to use their existing curriculum materials to create more communicative, learner-centered lessons using knowledge gained in ELTeach courses
- Apply active listening and reflective skills in paired dialogue to deepen their understanding of teaching, training, and learning

The program has three stages:

• **Stage 1 (online): Applying professional knowledge to teaching (30 hours/six weeks)**
Time frame: From end of June – August, 2023

• **Stage 2 (in-person): Applying professional knowledge to teacher training (36 hours/five days)**
Time frame: Selected participants will attend one of the following trainings:
September 3-7 in Chennai, or
September 11-15 in New Delhi or
September 18-22 in New Delhi

All expenses will be paid by the program for this in-person training, including travel, room, and meals.

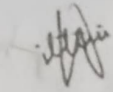

• **Stage 3 (online): Teacher training practicum (17-20 hours each month for three months)**
Timeframe: October - December, 2023

All selected participants must participate in all three stages of the program. Only those who are able to meet the total time commitment for Stage 1, Stage 2 and Stage 3 will be selected for the program.

We hope that your institution will accept this invitation by giving permission to the above-mentioned teacher to apply to the PSETT program. Please show your approval by signing below. Your teacher will then attach this letter to their program application. The teachers is not yet accepted to the program. They are being invited to apply. We expect up to 150 applications and can select only 60 participants.

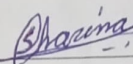

If you need further information, please do not hesitate to contact Mr. Goutam Merh, the Local Program Coordinator of the Madrassa English Language Teacher Training program in India, at goutam.merh@sit.edu

Sincerely,

Mihiri Warnasuriya
Program Manager, English Language Teacher Training (ELTT) Programs
World Learning

I hereby grant my permission and support to Aasima (teacher's name) to apply to, and if selected, participate in the Professional Skills in ELT and Teacher Training (PSETT) Program and carry out the activities of the three-stage course according to the timeframe outlined in this letter.
