## UDISHA & PLACEMENT CELL

The UDISHA and Placement Cell of Gujarat Arts and Science College, Ahmedabad, is one of its many best practices. This Committee is unique in its work as it aims to nurture the immediate future careers of the students. This committee organises and manages Placement Fairs for the college's final-year undergraduate and postgraduate students, often under the aegis of the Honourable Government of Gujarat and the Knowledge Consortium of Gujarat (KCG). In such placement fairs, i.e., the ones arranged by the government, the committee also invites and hosts students from other colleges as well. Whenever such events are organised, the students of the college are encouraged to register for them and even experience the interview process. The committee invites various companies to interview and interact with our students and even provide their feedback regarding their performance for future reference. Many of our bright, enthusiastic and capable students are selected by the invited companies. Besides the placement fairs, this committee also actively invites experts, outhouse and inhouse, to share their experiences and provide guidance to the students regarding various topics like "How to prepare a Resume", "How to face Interviews", "Types of Interviews", and so on. Hence this placement is known for its robust teamwork and efforts and its attention to the welfare of the students' future. Here are the details of the students who had registered for the placement fairs and also the students who were offered letters of intent.
