One Day Seminar

Introduction to Intellectual Property Rights

Date: 01/08/2020

Introduction:

Gujarat Arts & Science College, Ahmedabad, organized a one-day seminar on "Introduction to Intellectual Property Rights" on 01st August 2020. The seminar was aimed at providing a foundational understanding of Intellectual Property Rights (IPR) to the 150 participating B.Sc. students. The event was graced by **Dr. Nishant Junnarkar**, Assistant professor, Government Science College, Vankala distinguished expert in the field, and was organized under the esteemed patronage of, **Mr. S. G. Desai**, the college principal, and **Mrs Vaishali A. Pathak** the dedicated organizing secretary.

Seminar Highlights:

The seminar commenced with an insightful keynote address by **Dr. Nishant Junnarkar**, enlightening the students about the significance of intellectual property in the contemporary world. Throughout the day, students from diverse branches such as Chemistry, Physics, Mathematics, Botany, and Microbiology engaged in interactive sessions and group discussions. Faculties, including **Dr. Chaitanya Jha**, **Dr. Bharat Valani**, **Dr. Kavita Kolte**, **Mr. D. D patel** and **Dr. Charu Shrivastva**, facilitated engaging workshops, shedding light on patents, trademarks, copyrights, and trade secrets. Practical case studies were presented, allowing students to grasp the real-world applications of intellectual property concepts.

Outcomes:

The seminar proved to be a transformative experience for the students. They gained comprehensive insights into the legal, ethical, and innovative aspects of intellectual property. Participants developed a profound understanding of protecting inventions, creative works, and innovations, crucial for their future careers. The seminar not only broadened their intellectual horizons but also inspired them to consider careers in fields related to intellectual property law, research, and entrepreneurship. The event also fostered a spirit of collaboration among students and faculty, encouraging a vibrant exchange of ideas and knowledge.

In conclusion, the one-day seminar on Introduction to Intellectual Property Rights at Gujarat Arts & Science College, Ahmedabad, successfully equipped the B.Sc. students with valuable knowledge and skills related to intellectual property. It enhanced their academic pursuits, preparing them to navigate the complexities of the modern world while fostering a deep respect for intellectual creativity and innovation. The event was a testament to the college's commitment to providing holistic education, preparing students for a future where intellectual property plays a pivotal role in shaping industries and societies.

Speaker of the seminar: Dr. Nishant Junnarkar

Organizing secretary of the seminar: Mrs Vaishali A. Pathak

Faculty: Dr. Chaitanya Jha, Dr. Bharat Valani, Dr. Kavita Kolte, Mr. D. D. Patel and Dr. Charu Shrivastva,

One Day Seminar Report: Understanding Patents

Date: 15/10/2020

Introduction:

Gujarat Arts & Science College, Ahmedabad, organized a dynamic one-day seminar titled "Understanding Patents" on 15th October 2020. The seminar aimed to delve deep into the intricate world of patents, exploring their significance and the intricate process of acquiring them. The event was graced by **Dr. Chaitanya Kumar Jha**, a distinguished expert in understanding patents, and was organized under the esteemed patronage of **Mr. S. G. Desai** the college principal, and **Mrs. Vaishali A. Pathak**, the efficient organizing secretary.

Seminar Highlights:

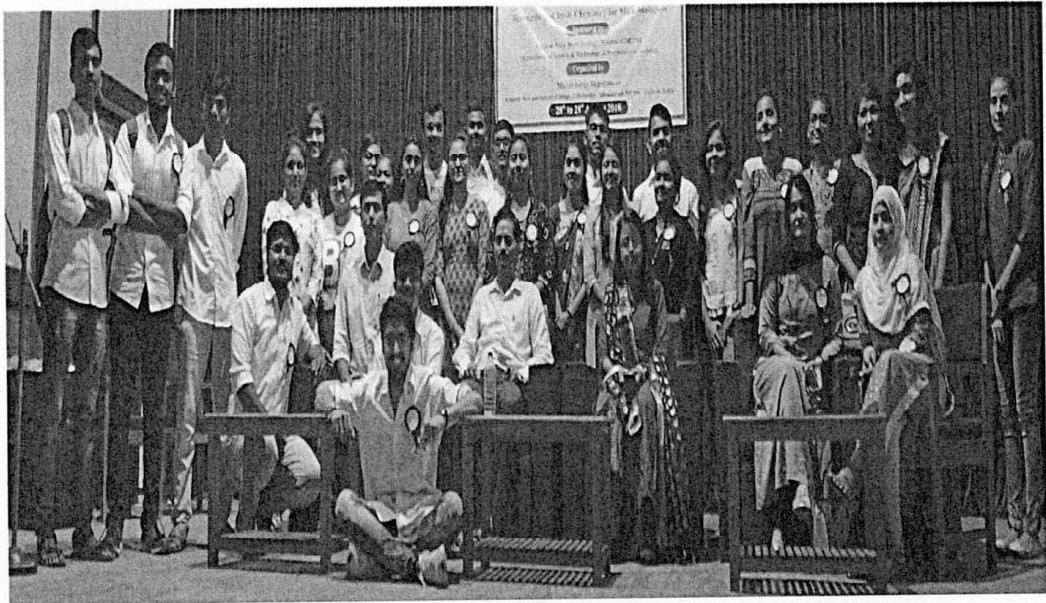

The seminar commenced with a comprehensive overview of patents by **Dr. Chaitanya Kumar Jha**, providing an in-depth understanding to the 175 participating B.Sc. students. The attendees, representing diverse branches such as Chemistry, Physics, Mathematics, Botany, and Microbiology, engaged in interactive sessions and hands-on workshops. Faculties, including **Dr. Bharat Valani**, **Dr. Kavita Kolte**, **Dr. Akhil Mittal**, **Dr. D. K. Panchal**, **Dr. H. L. Padiya**, facilitated insightful discussions on patentable inventions and the patent application process. Practical case studies were presented, enabling students to grasp the nuances of patent law, from ideation to patent filing.

Outcomes:

The seminar on "Understanding Patents" yielded significant outcomes for the B.Sc. students. They gained a profound understanding of the crucial role patents play in protecting innovations, fostering creativity and technological advancements. Participants learned about the patent filing procedures, including the documentation and legal requirements. The seminar not only equipped them with theoretical knowledge but also honed their analytical and problem-solving skills through real-life patent scenarios. Moreover, it inspired the students, igniting an interest in pursuing careers related to intellectual property law, patent research, and innovation-driven entrepreneurship.

In conclusion, the one-day seminar on "Understanding Patents" at Gujarat Arts & Science College, Ahmedabad, proved to be an enlightening experience. It empowered the students with valuable insights into the world of patents, preparing them to contribute meaningfully to the fields of science, technology, and innovation. The event underscored the college's commitment to providing holistic education, ensuring that students are well-prepared to navigate the complexities of the modern world and contribute significantly to the realms of innovation and intellectual property.

Webinar Report: Introduction to the World of Intellectual Property Rights (IPR)

Speakers: MR. AMITKUMAR PATEL, He is Registered Indian Patent Agent and working as an Independent IP Laws Practitioner in the domains of Patent, Trademark, Copyright and Design. He had completed the Advanced International Certificate Course on IPR & Business - Conducted jointly by KIPO-WIPO-KAIST-KIPA. He is also a Registered Indian Patent Agent (IN/PA/2874).

Introduction: The webinar titled "Introduction to the World of Intellectual Property Rights (IPR)" aimed to provide participants with a comprehensive overview of the significance and fundamentals of intellectual property rights in the context of startups. The event was organized by GASC SSIP-CELL, Gujarat Arts & Science College and featured expert speakers who shared insights, strategies, and practical advice on navigating the landscape of IPR for startups.

Key Highlights:

- 1. Understanding Intellectual Property (IP):** The speakers began by elucidating the concept of intellectual property and its various forms, including patents, trademarks, copyrights, and trade secrets. They emphasized the importance of safeguarding intellectual assets to protect the competitive advantage and innovation of startups.
- 2. Benefits and Challenges of IPR for Startups:** The webinar delved into the benefits of establishing robust IPR strategies for startups, such as fostering innovation, attracting investors, and mitigating risks. Additionally, the challenges and common pitfalls faced by startups in managing their intellectual property were discussed, along with practical solutions.
- 3. Patent Protection Strategies:** A significant portion of the webinar was dedicated to exploring patent protection strategies for startups. The speakers provided insights into the patenting process, including patentability criteria, filing procedures, and strategies for maximizing the value of patents in a competitive market landscape.

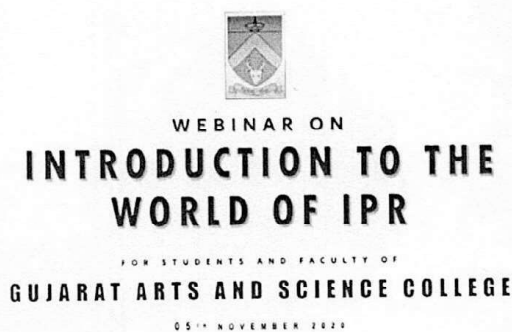

4. **Trademark and Copyright Considerations:** The webinar also addressed the importance of trademarks and copyrights for startups in building brand identity and protecting creative works. Participants gained an understanding of trademark registration processes, copyright infringement issues, and best practices for safeguarding intellectual property assets.
5. **IPR Enforcement and Litigation:** The speakers shed light on the enforcement of intellectual property rights and the recourse available to startups in cases of infringement. They discussed the role of litigation, alternative dispute resolution mechanisms, and proactive measures for preventing and addressing IP disputes.

Q&A Session: The webinar concluded with an interactive Q&A session, during which participants had the opportunity to engage with the speakers and seek clarification on specific topics related to intellectual property rights for startups. The session facilitated knowledge exchange and provided practical insights tailored to the participants' inquiries.

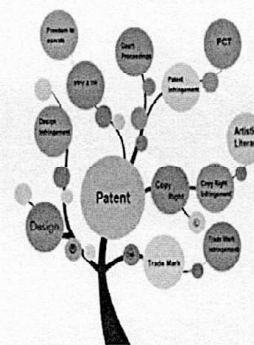

Conclusion: Overall, the webinar on "Introduction to the World of Intellectual Property Rights (IPR)" provided startups with valuable insights and actionable strategies for navigating the complex landscape of intellectual property. By understanding the significance of IPR and implementing effective strategies, startups can enhance their competitiveness, protect their innovations, and capitalize on their intellectual assets in the global market.

Feedback and Next Steps: Participants were encouraged to provide feedback on the webinar content and express interest in further resources or follow-up sessions on advanced topics related to intellectual property rights for startups. GASC SSIP-CELL expressed gratitude to the speakers and participants for their engagement and reiterated their commitment to supporting startups in their journey towards intellectual property protection and innovation.

SSIP-Webinar Event Report: Careers in Technological Startups in India

Presenter: Mr. Manthan Goswami, is a young and upcoming Trainer and Public Speaker. At the age of 20, he won Gujarat's biggest and most prestigious The Times of India Public Speaking Contest, with the prize money of ₹ 1 lakh. An alumnus of St Xavier's College Ahmedabad, he was awarded with the Student of the Year award in 2017. His core Strength is Marketing Strategies, Advertising, Branding and Promotion, Social Media and Digital Marketing. An MBA in Marketing from the BK School of Management Ahmedabad, he has conducted Training Programs in several companies for the middle and higher level management. Presently, Manthan is working with Tata Consultancy Services.

Introduction: The webinar on "Careers in Technological Startups in India" organized by GASC SSIP CELL, Gujarat Arts & Science College, aimed to provide insights into the burgeoning opportunities in the Indian startup ecosystem, particularly in the field of technology. Mr. Manthan Goswami, an esteemed expert in the startup domain, led the session, offering valuable perspectives and guidance to the participants.

Key Highlights:

- 1. Overview of Indian Startup Landscape:**
 - Mr. Goswami provided a comprehensive overview of the Indian startup ecosystem, emphasizing its rapid growth and global recognition. He highlighted key statistics and trends showcasing the rise of technological startups across various sectors.
- 2. Types of Technological Startups:**
 - The presenter delved into different categories of technological startups prevalent in India, ranging from software development and AI/ML to fintech and health tech. Through real-life examples, participants gained insights into the diversity and innovation within the startup space.
- 3. Career Opportunities and Growth Prospects:**

- Mr. Goswami discussed the myriad career opportunities available in technological startups, shedding light on roles such as software engineers, data scientists, product managers, and marketing specialists. He underscored the dynamic nature of startup environments and their potential for professional growth and innovation.

4. Essential Skill Sets and Qualifications:

- Participants received valuable insights into the requisite technical and non-technical skills for thriving in startup roles. Mr. Goswami emphasized the importance of a blend of technical expertise, entrepreneurial mindset, and effective communication skills in navigating the startup landscape.

5. Recruitment Process and Success Strategies:

- The presenter provided an overview of the recruitment process in startups, offering practical tips for resume preparation, cover letter writing, and networking with startup founders and recruiters. Success strategies for securing roles in competitive startup environments were also shared.

6. Inspiring Success Stories and Case Studies:

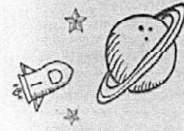

- The webinar featured inspiring success stories of professionals who have carved successful careers in Indian technological startups. Through insightful case studies, participants gained a deeper understanding of the challenges and triumphs associated with startup journeys.

Conclusion: The webinar concluded on a high note, with participants equipped with valuable insights and actionable strategies for pursuing careers in technological startups in India. Mr. Manthan Goswami's expertise and engaging presentation style left a lasting impression on the audience, inspiring them to explore and capitalize on the abundant opportunities in the vibrant startup ecosystem.

Acknowledgments: We extend our heartfelt thanks to Mr. Manthan Goswami for his invaluable contribution to the webinar. We also express gratitude to all the participants for their active participation and enthusiasm.

Report: Webinar on "Career in Entrepreneurship" by Dr. Ronak A. Kadia

Introduction: The webinar titled "Career in Entrepreneurship" was conducted by the GASC SSIP CELL (Gujarat Arts & Science College - Student Startup & Innovation Policy Cell) with Dr. Ronak A. Kadia as the guest speaker. The webinar aimed to enlighten students about the opportunities, challenges, and essential skills required for a career in entrepreneurship.

Speaker Profile: Dr. Ronak A. Kadia is a renowned entrepreneur, educator, and mentor with vast experience in the field of entrepreneurship. He holds superlative scholastic in Pharmacy (Pharm.D - Doctor of Pharmacy) from KSV University and Management (PGDM) from B. K. School of Business Management, Gujarat University. Dr. Kadia has been actively involved in fostering entrepreneurial spirit among youth through various initiatives.

Key Highlights:

- Importance of Entrepreneurship:** Dr. Kadia emphasized the significance of entrepreneurship in today's dynamic world. He discussed how entrepreneurship not only fosters innovation but also drives economic growth and creates job opportunities.
- Identifying Opportunities:** The speaker shed light on the process of identifying potential business opportunities. He elaborated on various approaches, including market research, trend analysis, and problem-solving.
- Skills and Traits:** Dr. Kadia highlighted the essential skills and traits required for a successful career in entrepreneurship. These include creativity, resilience, adaptability, leadership, and effective communication.
- Challenges and Solutions:** The webinar also addressed the common challenges faced by entrepreneurs, such as funding, market competition, and uncertainty. Dr. Kadia provided insights into overcoming these challenges through strategic planning, networking, and continuous learning.
- Case Studies:** The session included real-life case studies of successful entrepreneurs to illustrate key concepts and inspire the audience. These case studies showcased how

individuals with innovative ideas and determination transformed challenges into opportunities.

6. **Q&A Session:** A interactive question and answer session allowed participants to seek clarification on specific topics and engage with the speaker directly. Dr. Kadia provided valuable insights and practical advice to address queries raised by the attendees.

Conclusion: The webinar on "Career in Entrepreneurship" by Dr. Ronak A. Kadia proved to be informative and insightful for the participants. It inspired students to explore entrepreneurship as a viable career option and equipped them with valuable knowledge and resources to embark on their entrepreneurial journey. The event received positive feedback from the attendees, highlighting the relevance and impact of such initiatives in nurturing entrepreneurial talent.

Acknowledgment: We extend our sincere gratitude to Dr. Ronak A. Kadia for sharing his expertise and valuable insights with us. Special thanks to all the participants for their active participation and enthusiasm.

Report: Webinar on "Idea To Venture" by Dr. Vrajesh Parikh

Introduction: The GASC SSIP CELL (Gujarat Arts & Science College - Student Startup & Innovation Policy Cell) organized a webinar titled "Idea To Venture," featuring Dr. Vrajesh Parikh as the distinguished speaker. The webinar aimed to guide students through the process of transforming innovative ideas into successful ventures.

Speaker Profile: Dr. Vrajesh Parikh is a prominent entrepreneur, academician, and mentor in the field of startups and innovation. With extensive experience in entrepreneurship, Dr. Parikh holds Ph.D. in Supramolecular Chemistry (Ph.D., M.Sc., B.Ed.). He received 12 awards from International, National & State Organizations and more than 10 guest lecturers delivered at various institutes, colleges and organizations on different topics like Environment, Sustainability, Entrepreneurship, Parenting, Motivations and Career Planning. He is Associated with 7 International Organizations, 7 National Organizations & 5 State Organizations. He is known for his expertise in nurturing entrepreneurial talent and fostering innovation-driven ventures.

Key Highlights:

- Idea Generation:** Dr. Parikh commenced the session by discussing the importance of idea generation in the entrepreneurial journey. He elucidated various techniques and approaches to stimulate creativity and identify potential business ideas.
- Validation and Feasibility:** The speaker emphasized the significance of validating business ideas to assess their feasibility and market demand. Dr. Parikh elaborated on conducting market research, feasibility studies, and prototype testing to validate and refine entrepreneurial concepts.
- Business Planning:** The webinar delved into the essentials of crafting a comprehensive business plan to guide the venture from ideation to execution. Dr. Parikh elucidated key components of a business plan, including market analysis, value proposition, revenue model, and financial projections.
- Resource Mobilization:** Dr. Parikh provided insights into resource mobilization strategies for startups, including funding options, strategic partnerships, and leveraging

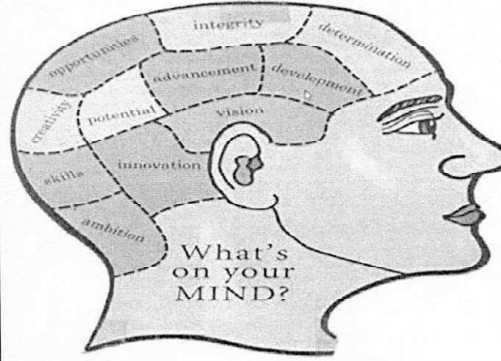

available resources effectively. He discussed bootstrapping, angel investment, venture capital, and crowd funding as viable funding sources for early-stage ventures.

5. **Execution and Growth:** The session focused on the execution phase of the entrepreneurial journey, highlighting the importance of agility, resilience, and adaptability. Dr. Parikh shared practical tips for managing operations, scaling the venture, and navigating challenges encountered during growth.
6. **Case Studies:** Real-life case studies of successful ventures were presented to illustrate the journey from ideation to venture creation. These case studies showcased diverse entrepreneurial experiences, highlighting key milestones, challenges, and lessons learned along the way.
7. **Interactive Session:** A interactive question and answer session allowed participants to engage with Dr. Parikh, seeking clarification on specific topics and sharing their insights and experiences. The interactive dialogue facilitated knowledge exchange and enriched the learning experience for attendees.

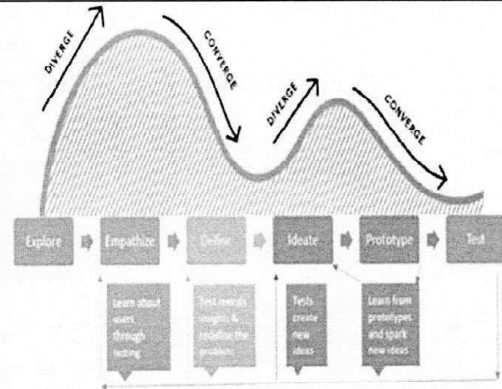

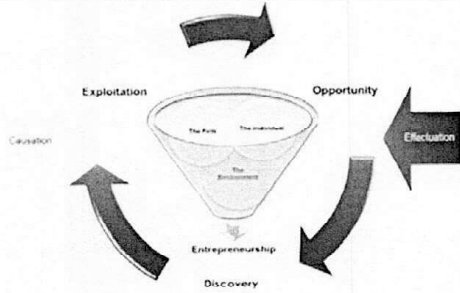

Conclusion: The webinar on "Idea To Venture" by Dr. Vrajesh Parikh provided invaluable insights and guidance to aspiring entrepreneurs. It equipped participants with the knowledge, tools, and inspiration to transform innovative ideas into viable ventures. The event received positive feedback from the audience, underscoring its relevance and impact in fostering entrepreneurial excellence.

Acknowledgment: We extend our sincere appreciation to Dr. Vrajesh Parikh for sharing his expertise and invaluable insights with us. Special thanks to all the participants for their active engagement and enthusiasm, contributing to the success of the webinar.

Webinar Report: Basics of Marketing & Branding by Mr. Dhvanil Pandit

Overview: The webinar on the Basics of Marketing & Branding, hosted by the GASC SSIP CELL, featured an insightful session led by Mr. Dhvanil Pandit (Founder @ Dhyanam), a seasoned expert in marketing and branding. He is a Thought Leader, a Trainer, a Motivational Speaker & an Entrepreneur. He specializes in empowering people in the field of Self-Employment & Entrepreneurship Development. The webinar aimed to provide participants with fundamental knowledge and practical insights into the essential concepts of marketing and branding strategies.

Key Topics Covered:

- 1. Introduction to Marketing:** Mr. Pandit began by elucidating the core principles of marketing, emphasizing its role in creating customer value and driving business success. He discussed various marketing concepts, including the marketing mix (4Ps), market segmentation, targeting, and positioning.
- 2. Understanding Branding:** The session delved into the significance of branding in today's competitive business landscape. Mr. Pandit highlighted the definition of a brand, its components, and the process of brand development. He underscored the importance of building a strong brand identity and fostering emotional connections with consumers.
- 3. Strategic Brand Management:** Participants gained insights into the strategic aspects of brand management, including brand positioning, differentiation, and brand equity. Mr. Pandit elaborated on the strategies for effectively communicating brand values and maintaining brand consistency across various touchpoints.

4. **Digital Marketing Trends:** As digital platforms continue to reshape the marketing landscape, the webinar addressed emerging trends in digital marketing. Mr. Pandit discussed the importance of digital channels, such as social media, content marketing, and search engine optimization (SEO), in reaching and engaging target audiences effectively.

Interactive Session: The webinar included an interactive Q&A session, allowing participants to seek clarification on specific topics and engage in discussions with Mr. Pandit. Attendees posed questions related to market research techniques, brand positioning strategies, and the integration of traditional and digital marketing approaches.

Key Takeaways:

- A clear understanding of fundamental marketing concepts, including the marketing mix and market segmentation.
- Insights into the importance of branding for building a competitive advantage and fostering customer loyalty.
- Strategies for effective brand management, including brand positioning and differentiation.
- Awareness of emerging trends in digital marketing and their implications for modern businesses.

Conclusion: The Basics of Marketing & Branding webinar, led by Mr. Dhvanil Pandit, provided participants with a comprehensive overview of essential marketing and branding principles. Through engaging discussions and practical insights, attendees gained valuable knowledge to enhance their marketing strategies and build strong, enduring brands in today's dynamic marketplace.

Report on One-Day Workshop: “N-LIST Awareness Programme for T. Y.B.Sc, M.Sc, and M.A Students”

Date: 11/01/2021

Venue: M-5 Main Building, Gujarat Arts & Science College

Introduction:

The Sydenham Library at Gujarat Arts & Science College organized a one-day workshop titled “N-LIST Awareness Programme” aimed at T. Y.B.Sc, M.Sc, and M.A students. The primary objective of this workshop was to provide training for the effective and optimal utilization of electronic resources available through the N-LIST (National Library and Information Services Infrastructure for Scholarly Content) programme. This initiative is part of the college’s ongoing efforts to enhance the academic resources accessible to students and to support their research and learning activities.

Attendance:

The workshop was well-received, with over 60 students participating. The attendees included:

- **Third Year Bachelor of Science (T. Y.B.Sc) students**
- **Master of Science (M.Sc) students**
- **Master of Arts (M.A) students**

Workshop Objectives:

1. **Introduction to N-LIST:** To provide a comprehensive overview of the N-LIST programme and its benefits.
2. **Accessing E-Resources:** To train students on how to access and navigate electronic resources available through N-LIST.
3. **Effective Utilization:** To demonstrate the best practices for using these resources effectively for research and academic purposes.
4. **Hands-on Training:** To offer practical, hands-on sessions to familiarize students with the N-LIST interface and functionalities

Topic Covered:

Session 1: Introduction to N-LIST

- Overview of the N-LIST programme
- Benefits for students

Session 2: Accessing N-LIST Resources

- Step-by-step guide to accessing N-LIST
- Navigation through the N-LIST portal

Session 3: Effective Utilization of E-Resources

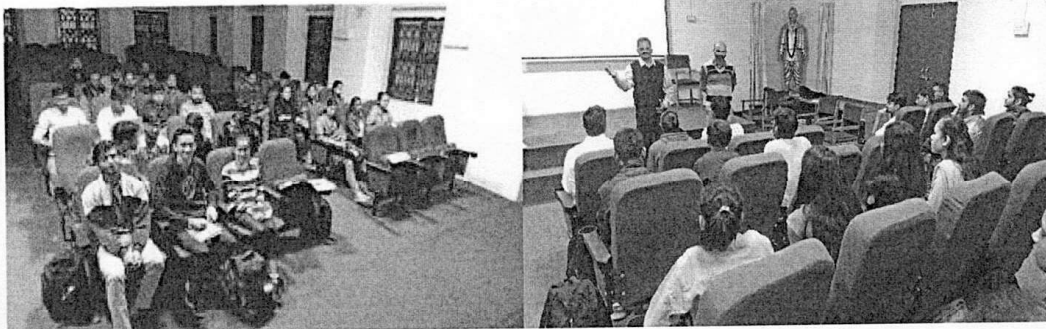

- Searching for academic papers, journals, and e-books
- Utilizing advanced search features

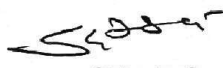

Session 4: Hands-on Training

- Practical session on using the N-LIST interface
- Individual exercises and troubleshooting
- Q&A session

Conclusion:

The “N-LIST Awareness Programme” workshop was a resounding success, achieving its objective of educating and empowering students with the knowledge and skills required to make the most of the electronic resources available to them. The positive response from the participants highlights the importance of such initiatives in fostering a conducive academic environment.

Webinar Report: "How to Draft Project Proposals" by Dr. Mitesh H. Patel, Gujarat Arts & Science College, Ahmedabad.

Overview: The webinar on "How to Draft Project Proposals," organized by the GASC SSIP-CELL, featured an insightful session led by Dr. Mitesh H. Patel from Gujarat Arts & Science College, Ahmedabad. Aimed at guiding participants through the process of crafting effective project proposals, the webinar provided practical tips and strategies to enhance proposal writing skills and increase the chances of securing funding and support for research and innovation projects.

Key Highlights:

- 1. Introduction to Project Proposals:** Dr. Mitesh H. Patel initiated the webinar by providing an overview of project proposals and their significance in securing funding and resources for research and innovation initiatives. He emphasized the importance of clearly articulating project objectives, methodologies, and expected outcomes in a concise and compelling manner.
- 2. Key Components of a Project Proposal:** The session delved into the essential components of a well-structured project proposal. Dr. Patel discussed the importance of including a clear project title, background and rationale, objectives, methodology, timeline, budget, and evaluation plan. Participants gained insights into structuring each section of the proposal to effectively communicate the project's significance, feasibility, and potential impact.
- 3. Writing Style and Language:** Participants received guidance on the writing style and language conventions commonly employed in project proposals. Dr. Patel emphasized

the importance of clarity, coherence, and professionalism in writing, avoiding jargon and technical language that may obscure the proposal's message. He provided practical tips for writing concisely and persuasively to engage reviewers and stakeholders.

4. **Addressing Evaluation Criteria:** The webinar focused on aligning the project proposal with the evaluation criteria specified by funding agencies or review panels. Dr. Patel discussed strategies for addressing key evaluation criteria, such as innovation, significance, approach, feasibility, and impact. Participants learned how to tailor their proposals to meet the specific requirements and priorities of potential funders or sponsors.
5. **Practical Examples and Case Studies:** The session featured practical examples and case studies illustrating effective project proposal writing techniques. Dr. Patel showcased successful project proposals from various disciplines and funding sources, highlighting common elements of excellence and best practices. Participants gained inspiration and insights into crafting compelling narratives and persuasive arguments in their own proposals.

Interactive Q&A Session: The webinar concluded with an interactive Q&A session, allowing participants to engage with Dr. Mitesh H. Patel and seek further clarification on specific aspects of project proposal writing. Attendees posed questions on topics such as budget justification, risk assessment, and project sustainability, which were addressed with insightful responses.

Key Takeaways:

- Understanding the importance of project proposals in securing funding and support for research and innovation projects.
- Familiarity with the key components and structure of an effective project proposal.
- Mastery of writing style and language conventions for clear and persuasive communication.
- Alignment of project proposals with evaluation criteria to increase chances of success.
- Learning from practical examples and case studies of successful project proposals.

Conclusion: The "How to Draft Project Proposals" webinar, led by Dr. Mitesh H. Patel, provided participants with valuable insights and practical guidance on crafting effective project proposals. Through engaging discussions, practical examples, and interactive sessions, attendees gained confidence and skills to develop compelling proposals that resonate with funders, sponsors, and stakeholders.

Webinar Report: "Key Points for Pitching Proposals" by Dr. Mitesh H. Patel, Gujarat Arts & Science College, Ahmedabad

Overview: On February 4, 2021, the GASC SSIP-CELL organized a webinar titled "Key Points for Pitching Proposals," featuring Dr. Mitesh H. Patel from Gujarat Arts & Science College, Ahmedabad, as the distinguished speaker. The webinar aimed to provide participants with essential insights and strategies for effectively pitching proposals to secure funding, support, or partnerships for research and innovation projects.

Key Highlights:

- 1. Introduction to Proposal Pitching:** Dr. Mitesh H. Patel commenced the webinar by providing an overview of proposal pitching and its significance in the research and innovation ecosystem. He emphasized the importance of crafting a compelling narrative and delivering a persuasive presentation to capture the attention of potential funders, sponsors, or collaborators.
- 2. Understanding Audience Needs:** The session delved into the importance of understanding the needs, interests, and priorities of the target audience when pitching proposals. Dr. Patel discussed strategies for conducting audience analysis and tailoring pitch presentations to resonate with the specific requirements and expectations of stakeholders.
- 3. Crafting a Compelling Story:** Participants gained insights into the elements of a compelling pitch story that engages and inspires the audience. Dr. Patel emphasized the importance of clarity, coherence, and storytelling techniques in conveying the project's

significance, objectives, and potential impact. He provided practical tips for structuring pitch presentations to capture attention, evoke emotion, and compel action.

4. **Highlighting Key Points and Benefits:** The webinar focused on identifying and highlighting key points and benefits of the proposed project during the pitch presentation. Dr. Patel discussed strategies for articulating the project's value proposition, unique selling points, and anticipated outcomes in a concise and compelling manner. Participants learned how to emphasize the project's relevance, feasibility, and potential for success to persuade stakeholders to support the proposal.
5. **Effective Delivery and Communication:** The session provided guidance on effective delivery and communication techniques to enhance the impact of pitch presentations. Dr. Patel discussed strategies for engaging the audience, maintaining eye contact, using visual aids effectively, and managing time during the presentation. Participants received practical tips for conveying confidence, enthusiasm, and professionalism to leave a lasting impression on the audience.

Interactive Q&A Session: The webinar concluded with an interactive Q&A session, allowing participants to engage with Dr. Mitesh H. Patel and seek further clarification on specific aspects of proposal pitching. Attendees posed questions on topics such as presentation structure, storytelling techniques, and handling audience questions, which were addressed with insightful responses.

Key Takeaways:

- Understanding the importance of effective proposal pitching in securing funding, support, or partnerships for research and innovation projects.
- Familiarity with audience analysis techniques to tailor pitch presentations to the needs and interests of stakeholders.
- Mastery of storytelling techniques and communication strategies to craft compelling pitch narratives.
- Identification and highlighting of key points and benefits of the proposed project to persuade stakeholders to support the proposal.

- Adoption of effective delivery and communication techniques to engage and inspire the audience during pitch presentations.

Conclusion: The "Key Points for Pitching Proposals" webinar, led by Dr. Mitesh H. Patel, provided participants with valuable insights and practical guidance on effectively pitching proposals. Through engaging discussions, practical examples, and interactive sessions, attendees gained confidence and skills to deliver persuasive pitch presentations that resonate with funders, sponsors, and collaborators.

Gujarat Arts and Science College, Ahmedabad and
Gujarat Sahitya Akademi, Gandhinagar jointly organize
International Webinar: 5th & 6th March, 2021

Creation : Process and Outcome

Hearty Invitation

Respected one,

We cordially invite you to the literature festival to celebrate the essence and beauty of glorified Gujarati Language at global level. The creative consciousness of the revered wordsmiths will be created at the international webinar being organized by the joint initiative of 'Gujarat Arts and Science College, Ahmedabad' and 'Gujarat Sahitya Akademi, Gandhinagar'. We heartily welcome the Gujarati literature lovers across the globe to actively participate in this unique Gujarati language initiative through Facebook and YouTube. Come; let us felicitate our Mother Tongue through adoration of words.

Bearers of Word-Consciousness

Madhu Rai: "GadhyaLila"
Vinod Joshi: "Roop ane Rupantaran"
Varsha Das: "Between the Lines"
Panna Nayak : " 'Ka' kavitanano 'Ka' "
Babu Suthar: "Kalpan ane Kathanni Vachche"
Aradhana Bhatt: "Shabdathi Soor taraf"
Rajendra Shukla: "Awaaknu Avtaran"

Invitee

Nisarga Ahir
Coordinator

Hemlata Vyas
Chairman, Gujarati Department

Himmat Bhalodia
Registrar, Gujarat Sahitya Akademi

S.G. Desai
Principal, Gujarat Arts & Science College

The webinar will be broadcast live on the Facebook page and YouTube of the
Gujarat Sahitya Akademi.

Principal

વિષય : આંતરરાષ્ટ્રીય કક્ષાના વેબિનારનું આયોજન કરવા બાબત

આ. શ્રીમાન,

સવિનય જણાવવાનું ગુજરાતની સૌપ્રથમ, સૌથી જૂની ગુજરાત આર્ટ્સ એન્ડ સાયન્સ કોલેજ, અમદાવાદ ખાતે આંતરરાષ્ટ્રીય કક્ષાના વેબિનારનું આયોજન કરવાની સલાય અર્થે આપશ્રીને આ પત્ર પાઠવી રહ્યા છીએ. સાંપ્રત સ્થિતિમાં સામૂહિક કાર્યક્રમોના બદલાયેલા સ્વરૂપ સંદર્ભે પણ સાહિત્યપ્રીતિ અને વિદ્યોપાસનાનો યજ્ઞ ચાલુ રહે તે માટે અમે સમગ્ર વિશ્વમાં ફેલાયેલા ગુજરાતીઓના લાભાર્થે ઓનલાઈન વેબિનારનું આયોજન કરવા વિચાર્યું છે. આ વેબિનાર યુટ્યુબ, ફેઈસબુક જેવાં સમહુમાધ્યમ દ્વારા સૌ કોઈ નિહાળી શકે અને લોકો એનો વ્યાપક પ્રમાણમાં લાભ લઈ શકે તેવું આયોજન અપેક્ષિત છે. એમાં સમગ્ર વિશ્વમાં ફેલાયેલા ગુજરાતી સર્જકો, સાક્ષરો પોતાના જ્ઞાનનો અને સર્જકતાનો લાભ આપશે. આપશ્રી આ પત્ર સાથેની અમારી રૂપરેખાને ધ્યાનમાં રાખીને આંતરરાષ્ટ્રીય કક્ષાના વેબિનારનું આયોજન કરવા માટેની મંજૂરી આપશોજી એવી નમ્ર વિનંતી છે.

આપશ્રીનો આભાર.

પ્રિ. એસ.જી. દેસાઈ

Subject: Regarding organizing an International level Webinar

R/Sir,

With great respect, we are sending this letter to you to help organizing an international level webinar at Gujarat's first and the oldest College - Gujarat Arts and Science College, Ahmedabad. In order to continue the oblation of love of literature and worship of wisdom, even in the context of the changed form of mass programs in the recent situation, we have planned to organize an online webinar for the benefit of Gujaratis spread all over the world. This webinar is expected to be watched by everyone through mass media like YouTube, Facebook and people can take advantage of it in a big way. Gujarati creators and literates spread all over the world will give the benefit of their knowledge and creativity through this. It is a humble request that you may grant permission to organize an international level webinar in view of our outline attached with this letter.

Thank you.

Principal

રૂપરેખા

૫મી માર્ચ, ૨૦૨૧

ઉદ્ઘાટન-સમારંભ : ૯.૦૦થી ૧૦.૦૦, સવારે

સ્વાગત : શ્રી. એસ. જી. દેસાઈ (આચાર્ય, ગુજરાત આર્ટ્સ એન્ડ સાયન્સ કોલેજ, અમદાવાદ)

ભૂમિકા : ડૉ. હિમ્મત ભાલોડિયા (મહામાત્ર, ગુજરાત સાહિત્ય અકાદમી, ગાંધીનગર)

અધ્યક્ષીય પ્રવચન : શ્રી વિષ્ણુ પંડ્યા (અધ્યક્ષ, ગુજરાત સાહિત્ય અકાદમી, ગાંધીનગર)

આભારદર્શન : પ્રો. હેમલતા વ્યાસ (અધ્યક્ષ, ગુજરાતી વિભાગ, ગુજરાત આર્ટ્સ એન્ડ સાયન્સ કોલેજ)

પ્રથમ સત્ર : ૧૦.૦૦થી ૧૨.૩૦

ગઘલીલા — મધુ રાય

અવાકું અવતરણ — રાજેન્દ્ર શુક્લ

શબ્દથી સૂર તરફ — આરાધના ભટ્ટ

દ્વિતીય સત્ર : ૨.૦૦થી ૪.૦૦

શોધપત્ર-વાચન

અધ્યક્ષ : ડૉ. કાન્તિ માલસતર

સંચાલન : પ્રો. હેમલતા વ્યાસ

૬ઠ્ઠી માર્ચ, ૨૦૨૧

તૃતીય સત્ર : ૧૦.૦૦થી ૧.૦૦

મૂર્ત-અમૂર્તની વચ્ચે — બાબુ સુથાર

રૂપ અને રૂપાંતર — વિનોદ જોશી

ખિટલિન ધ લાઈન્સ — વર્ષા દાસ

ચતુર્થ સત્ર : ૨.૦૦થી ૪.૦૦

શોધપત્ર-વાચન

અધ્યક્ષ : ડૉ. દર્શના ઓઝા

સંચાલન : ડૉ. કે. એમ. ચાવડા

રજિસ્ટ્રેશન અને શોધપત્ર-વાચન :

વેબિનાર તમામ માટે ખુલ્લો છે, તેમ છતાં ગુજરાતી ભાષાના અધ્યાપકો અને વિદ્યાર્થીઓ ઓનલાઈન રજિસ્ટ્રેશન કરાવી શકે છે. રજિસ્ટ્રેશન કરાવનાર અને સતત હાજર રહેનારને પ્રમાણપત્ર આપવામાં આવશે. ગુજરાતી ભાષામાં શોધપત્ર રજૂ કરી શકાશે. ૧. કોઈ પણ સર્જકની સર્જનપ્રક્રિયા, ૨. કોઈ પણ સર્જકની સર્જનપરક વિશેષતા, ૩. કોઈ પણ કૃતિની સર્જનગત વિશિષ્ટતા — એ ત્રણમાંથી કોઈ એક વિષય શોધપત્ર માટે પસંદ કરી શકાશે. તા. ૧.૩.૨૦૨૧ સુધીમાં ઈમેઈલ દ્વારા પીટીએફ ફાઈલરૂપે શોધપત્ર મોકલી શકાશે. પસંદગી પામનાર શોધકર્તાને ઓનલાઈન પ્રસ્તુતિ માટે આમંત્રણ આપવામાં આવશે. શોધપત્રની મર્યાદા ૭૦૦થી ૧૦૦૦ શબ્દની રહેશે. પ્રસ્તુતિ માટે ૧૦ મિનિટ ફાળવવામાં આવશે. રજિસ્ટ્રેશન નિ:શુલ્ક છે.

રજિસ્ટ્રેશન તા. ૧.૩.૨૦૨૧ સુધીમાં કરાવવાનું રહેશે. રજિસ્ટ્રેશન માટેની લિન્ક :
