Action Taken Report on Faculty Feedback for Academic Year 2018-19

Summary of Actions taken:

1. Revision of Course Objectives:

All course syllabi were reviewed and updated to ensure clarity and alignment with learning outcomes. Course objectives were communicated to students at the start of each term.

2. Enhancement of Engagement:

Faculty members attended workshops on interactive teaching methods. Interactive elements such as group discussions and case studies were integrated into the curriculum across departments.

3. Improvement of Resource Availability:

Additional supplementary materials and online resources were made available through the college's digital library. Faculty were encouraged to incorporate these resources into their teaching.

4. Clarification of Assessment Criteria:

Detailed guidelines for assignments and exams were developed and shared with students prior to each assessment. Feedback mechanisms were established to clarify any uncertainties.

5. Professional Development:

Two workshops on innovative teaching and effective communication were conducted for faculty members. Participation was mandatory, and follow-up sessions were scheduled to address ongoing challenges.

Outcome: The measures have been effectively put into practice, and initial feedback suggests a positive impact on course clarity, student engagement, and access to resources. Ongoing evaluation and additional adjustments will be made to maintain and enhance these improvements.
